have you just tried claiming a monopoly go dice link and it didn't work dice links can only be redeemed once per monopoly go account so if you click on a link and get a message that says this reward has already been claimed then that means you've redeemed it previously if you get a message that says this reward cannot be claimed then that means one of two things this error message appears when a link has expired or when a link has just been released and you need to close and re-open your monopoly go app to get it working keep checking back here we are constantly updating this page with the latest links and removing links when they stop working this is a really fun game i do enjoy the overall mechanics of it aside from a few things i've noticed and i would recommend honestly good social media games have giveaways every now and again when events drop that would be awesome instead of a one-time deal for each app i think players should get some rolls on the events link i found this appealing with other games i've played also the friends list what's up with it trying to find my social media friends and it's not finding them or adding them when i send the link even if they are playing is grieving very frustrating to try and figure it out when it's impossible another i've noticed is if you have people on your friends list i think they should be avoided to bank roll them if they are part of the team they should be excluded

from heists etc which brings me to the next i ve noticed and that s if they take money the correct amount taken i ve sat side by side and more money was taken from me than was told to the player taking the money not fair not for player 1 or player 2 honestly think if these little suggestion could be incorporated it would be flawless still though 5 stars for me check for upcoming tournaments keep an eye on the monopoly go app or website for news about upcoming tournaments these events usually come with special rewards including free dice rolls practice regularly to succeed in a tournament practice regularly to sharpen your skills the more you practice the better your chances of winning and earning those coveted extra dice rolls network with fellow players build connections with other monopoly go players they might have tips tricks and strategies to share that can help you secure more free dice rolls check for upcoming tournaments keep an eye on the monopoly go app or website for news about upcoming tournaments these events usually come with special rewards including free dice rolls practice regularly to succeed in a tournament practice regularly to sharpen your skills the more you practice the better your chances of winning and earning those coveted extra dice rolls network with fellow players build connections with other monopoly go players they might have tips tricks and strategies to share that can help you secure more free dice rolls
